Signed _____ Date _____

Paul Thorn Band Tech Rider

05/2010

Tech Requirements:

The Band travels and uses an on stage in-ear monitor mixer with a 20 channel split. One powered wedge is still needed for the drum position, though the mix will still come from the bands mixer.

Backline:

The following is a list of backline as required by Paul Thorn and Band in the event of a fly date or any other situation that requires the use of rental equipment. Promoter must contact **Billy Maddox @ 205-431-6004 | 205-698-9959 | Fax: 205-698-9951** or billy@paulthorn.com with questions or any deviations.

Paul Thorn: Guitar
